

Speaker Proposal: Dr. Sandi Williams, Ph.D.

Title: Scaling Purpose: Bridging Neuroscience, Digital Strategy, and Faith-Driven Leadership for Global Impact

Overview

Dr. Sandi Williams, Ph.D., is a faith-driven global speaker, strategist, and visionary entrepreneur with over 35 years of experience building and scaling **multimillion-dollar, mission-driven organizations**. Her unique expertise lies at the intersection of **Neuroscience (Ph.D. in Psychology)**, **Digital Strategy**, and **Global Economic Empowerment**.

Dr. Williams offers a compelling framework for leaders seeking to scale their technology ethically and sustainably, focusing on translating complex scientific breakthroughs into accessible, widely adopted solutions. Her insights are essential for addressing the human element in AI, the digital skills gap, and the challenges of achieving true global market penetration.

Key Speaking Themes & Audience Value

Dr. Williams is perfectly positioned to deliver a high-impact keynote or session on themes critical to the future of technology and leadership:

Theme	Audience Takeaway
Neuroscience-Informed Performance	Frameworks for mastery in mindset transformation and time management , rooted in psychological science, to help changemakers move from vision to impact. (Co-host of the <i>"Brainwaves and the Path to Higher Consciousness Podcast"</i>).
The "Purpose-First" Scaling Model	Lessons from founding and scaling two multimillion-dollar non-profit and business initiatives (like A Wealth of Women) without ever holding a traditional 9-to-5 job.
Ethical Tech Adoption & Digital Inclusion	Strategies for designing and launching high-value digital solutions—such as home-use neurotech devices—to address the needs of underserved communities in the U.S. and Africa, advancing inclusive digital and green economy development .
High-Level Global Strategic Partnerships	Insight into leveraging international relationships, including serving as U.S. Board Trustee for The Otumfuo Osei Tutu II

Theme	Audience Takeaway
	Foundation (Ashanti King) and facilitating partnerships between African ambassadors and U.S. stakeholders.
The Power of Spiritual Intelligence in Leadership	Integrating Christian principles and the belief in "divine alignment" into leadership and organizational culture to drive sustainable growth and integrity.

Professional & Academic Credentials

- **Academic Expertise:** Ph.D. in Psychology, with a focus on cognitive and behavioral transformation.
- **Entrepreneurial Success:** Founder of **A Wealth of Women** (providing education to over 1,000 girls and microfinancing to entrepreneurs) and **B.O.S.S. Women Network** (800+ members).
- **Global Policy & Strategy:** U.S. Board Trustee for the **Otumfuo Osei Tutu II Foundation** and Commissioner on the **Philadelphia Commission for Women**.
- **Media & Content:** Co-host of the *"Brainwaves and the Path to Higher Consciousness Podcast"* (with Dr. James Hardt) and host of *"The Purple Circle®"* podcast.
- **Grant & Fundraising Success:** Led a **\$1M federal workforce development grant initiative** and raised millions for education and personal enrichment nonprofits.

Conclusion

Dr. Williams delivers every message with authenticity, wisdom, and the spiritual insight needed to ignite transformation. Her session will provide a crucial roadmap for leaders navigating the future of work and technology, proving that purpose, precision strategy, and faith can be successfully fused to achieve profound global scale.
