

## THE LIFE PLAN WORKSHEET

The **LIFE PLAN** is about you. How you want to live your LIFE and How you want to be Remembered. To make it simple use this sheet for one priority (example how you want to serve) and use another sheet for another category (family). Your Goal here is the one, most important thing you need to do that will get you closest to living *your best life*. This worksheet will help you map out each step necessary to achieve your goal.

Instructions: Write down your Goal for this year, and then outline what needs to be completed to achieve your goal.
